Colts Begin Pennant Race With
Nine of Last Year's Men
in Line.

NO CHANGE IN INFIELD

John Waymack's Friends Believe
He Will Be on Regular
Pitching Staff.

There seems to be absolutely no doubt now as to the makeup of the infield of the Champion Colts for the 1929 season. It will be the same as last year, with Perry Lipe at first, Sandner at short, Jimmy Ison at second and Jay Kanizer at third. Messitt will be the mainstay behind the bat, and Kiefer probably will be selected as the second baseman.

The pitching staff and outfield are unsettled as yet. "Dutch" Reville and Bussey probably are fixtures. No one doubts Curtis Walker's ability to make good, but there seems to be some question as to whether or not he will try. He has not been over-exercising himself in practice, and showed up poorly in the game Tuesday with the New York Giants. Muir, the Canadian pitcher, and Jack Ashton, formerly of the "Sally" League, are showing good form.

Waymack surprised all with his work against the Giants and is now the most talked of ball player in the squad. He has speed, curves and control, and what counts more, he is the very essence of commonsense when on the mound. He is the only left-hander in the squad of seven, and he seems to stand a good show of landing on the regular staff. He all depends upon the showing he makes in the remaining practice games, and his friends are confident that he can make good against the teams that come here next week.

Powers, the biggest flogger of "em all, has not been given a chance to work out in any of the practice games. He is more or less of an unknown quantity. He may step in and surprise everybody during the next week.

Left Field. Guy Timman and Smith are regulars in the outfield, but the left garden is open. "Scrap Iron" Cowan and Joe Lohr are contending for the position now, and later on "Doc" Sieber will drop in from Baltimore and take a turn out in the lot. From the records of this past season it seems to have it on the present aspirants.

Eddie Wright, the Detroit boy, has not been showing up very well of late. His work in the game with the Giants was mighty bad, due in most part to stage fright. He cannot stick any great deal, and is inexperienced.

Right Field. Burke, the Chicago catcher, who worked with Ashton last season, has not had much of an opportunity to show his full worth. Kiefer seems to have him beat. Kiefer has made a great hit with the fans, and he is the most popular player on the squad.

Yankees Here To-Morrow. Owing to the high winds yesterday the game did not practice but three hours, the work being put in from 10 to 11. Weather permitting, the team will get away to hard work to-day in preparation for the game to-morrow with the New York Yankees first team. The men hope to redeem themselves in the game with the Yankees.

On account of his injured foot Smith is unable to practice but he may get in the game to-morrow. He did not take part in the game against the Giants. Bussey is at his home in Washington, N. C., having been called there Sunday by the serious illness of his wife. He probably will not get back here before Monday.

HAMPTON LOSES FIRST

[Special to The Times-Dispatch.] HAMPTON, VA., April 7.—In a clean, hard-fought game, the nine of Norfolk High School defeated the Hampton High School team here yesterday afternoon at Hampton Park by a score of 4 to 2. About 200 people saw the game. The feature of the game was a home run by Robinson, Hampton's third baseman, in the second inning. Moore pitched good ball for Norfolk, allowing only three hits and striking out nine men. Burbank, for Hampton, struck out seven.

Score by innings: Hampton.....0 0 1 0 0 0 0—2 3 3 Norfolk.....0 0 0 0 0 0 0—4 7 3 Batteries: Burbank and Brittingham; Moore and Reppas.

GIANTS WALLOP OLD ELI'S SONS

Yale Sluggers Fall Victims to Deceptive Shoots of Mathewson and Crandall.

[Special to The Times-Dispatch.] NORFOLK, VA., April 7.—It was comparatively easy sailing for the New York Nationals to defeat Yale this afternoon by the score of 7 to 1 in one of the prettiest games played here this season and the largest crowd seen at any practice game. "Big Six" Mathewson, who was formerly a member of the Norfolk team, from which club he went to New York, was given a royal welcome by the fans. He worked well in the box for five innings, although he slowed up in the fifth and was found for an earned run. Crandall, who succeeded him, had the Yale squad guessing for the remainder of the game.

Van Vleet opened for the Yale team, but had to yield to Merritt in the sixth. The latter was rapped hard and continuously, and Parsons was sent in, and he held the Giants down for the remainder of the game. At the bat Timney started with four hits in four chances, while O'Hara and Devlin were second, with two hits in four chances. O'Hara's triple to right went to the fence on a line. Devlin, Tenney and Snodgrass registered doubles. Nearly all of the hits of the Yankees were of the scratch variety, the one clean hit being made by Mallory.

The work of Doyle at second and Bridwell at short were the features of the afternoon. Tenney accepted some difficult chances, but seemed to have a spring in his hit, and muffed two easy throws. He was "kidded" unmercifully by his team-mates, Latham leading the squad with cries of "Take the spring from that glove!"

Yale's infield was off color and did not give their batteries the usual good support.

Score by innings: R. H. E. New York.....0 2 0 1 0 0 0—7 19 3 Yale.....0 0 0 0 0 0 0—1 6 5 Batteries: Mathewson, Crandall and Senel and Snodgrass; Van Vleet, Merritt, Parsons and Rose and Philbin.

W. AND L. DEFEATS ST. JOHN'S TEAM

Smashes by Hood, Speed and Herring in Seventh Bring Victory to Lexington Men.

[Special to The Times-Dispatch.] LEXINGTON, VA., April 7.—In one of the best played games seen here this season, Washington and Lee defeated the St. John's College team by a score of 3 to 1.

St. John's got its first count in the opening chapter, and Washington and Lee could not score until the sixth, annexing one run in that session. In the next the local college boys showed the game away by piling up two runs.

Speed opened with a single and romped to second when Hood smashed a burner to Grove. Both men scored on Herring's long drive to centre. A high wind interfered with both spectators and players.

Parades was in the box for Washington and Lee, and pitched a pretty game, letting the visitors down with seven earned hits. Bosley, Melville and Herring did the best work for St. John's, while the playing of Reutenwald, Hood, Speed and Anthony was the feature for Washington and Lee.

The tabulated score:

BUILD ATHLETIC CLUB HOUSE AT UNIVERSITY

Proposed Structure Will Give Virginia One of Most Complete Athletic Fields in Country—May Make Yale-Varsity Meet Annual Event.

[Special to The Times-Dispatch.] CHARLOTTESVILLE, VA., April 7.—Following the urgent need for an athletic club house at the University of Virginia, the matter will be taken up by the Virginia Alumni Association at its meeting in June, and it is highly probable that such a building will be commenced this summer.

By subscription among the alumni \$23,000 in cash has already been raised for the building, with an additional \$12,000 in pledges. It was originally planned to have the clubhouse cost \$70,000, but it is probable that the estimated cost will be cut down in order that the building may be secured at once. Before the university dining hall was built it was the intention to have the facilities for a training table in the clubhouse. This feature is now supplied at the mess hall, and so there is no need of it in the clubhouse.

The lack of good hotel accommodations makes it necessary that Virginia have a clubhouse with an additional training table. For example, the Yale baseball team has repeatedly refused to come to the university to play because they objected to the hotel facilities. In the proposed clubhouse this complaint will be entirely eliminated, there will be a number of large and well-furnished dormitories for the use of visitors. The clubhouse will be located on the athletic hill just beyond the grandstand at Lambeth Field. It will contain in addition to the dormitories and all other clubhouse features, such as showers, "rubbing" rooms, dressing rooms and the like, the offices of the General Athletic Association.

Make Meet Annual Event.

Dr. Lambeth is very anxious to get the clubhouse built as soon as possible, especially on account of Virginia's enlarged relations with big Northern institutions. Walter Camp, head of athletics at Yale, informed Dr. Lambeth if the Yale track team proved profitable from a training standpoint this year, it would likely be made an annual event. Although the Yale men are highly pleased with the way in which they are being entertained this year by Virginia, they too, would appreciate such a clubhouse.

With the proposed clubhouse and other improvements, along with the new year, Virginia will have one of the most complete athletic fields in the country.

New Fields Completed.

The new baseball and football field, lying just below the present field, has been completed, and also the new track team field. The work of fencing the new field has already commenced. The present fence at the west end of the old athletic field will be taken down and erected at the far end of the new field. Between the two fields there will be a grass terrace.

It is not probable that the new grandstand can be built for some little time on account of lack of money. The clubhouse will come first, and then the grandstand will complete the plant.

ALTOONA HUSTLE

Courts Saves Day for Ashenback's Team by Sensational Catch in Ninth, With Two on Bases.

LYNCHBURG, VA., April 7.—The local Virginia Leaguers this afternoon gave Ed. Ashenback and his Altoona Tri-State Leaguers a fright, and it required hard work to prevent a Garrison finish. The visitors finally won by the score of 2 to 1.

Steel, who pitched for Altoona, twirled in mid-season form, and he kept the home team guessing. For the locals, Vernuelle and Griffin did well, and their opponents should have scored, getting their runs over on errors on easy chances at third and by Caul, the catcher.

In the ninth, outfield errors gave

the locals a run, and two men were left on bases. Courts by nice work got a hard fly, which ended the game.

Score by innings:

R. H. E. Lynchburg.....0 0 0 0 0 0 1—1 4 3 Altoona.....1 0 1 0 0 0 0—2 4 4 Batteries: Vernuelle, Griffin and Caul; Steele and Steele.

BINGHAM LOSES GAME.

Lenoir College Breaks Winning Streak of Asheville School. [Special to The Times-Dispatch.] ASHEVILLE, N. C., April 7.—After eight consecutive victories, Bingham lost her first baseball game of the season to Lenoir College by the score of 2 to 1, in a fast game played here last afternoon. The same teams had played the day before, the locals winning by the score of 9 to 0. The game was a pitchers' battle throughout.

Score by innings:

R. H. E. Bingham.....0 0 0 0 0 0 0—2 3 4 Asheville.....1 0 1 0 0 0 0—1 2 4 Batteries: Williams and Gaines; Holland and Spear.

Catholics Defeated.

FRONT ROYAL, VA., April 7.—The Catholics University of America, near Washington, D. C., was defeated by Randolph-Macon Academy to-day by a score of 9 to 7. Randolph-Macon won the game in the ninth inning by bunting hits and making seven runs.

LAFAYETTE DROPS GAME TO VIRGINIA

Visitors Outbat and Outfield Varsity, but Cannot Hit at Right Time.

ERRORS ARE NUMEROUS

Bungles Responsible for Four of Five Runs Registered—Schneider Fans Nine.

[Special to The Times-Dispatch.]

CHARLOTTESVILLE, VA., April 7.—Lafayette concluded her Southern trip to-day by dropping a game to Virginia by a score of 3 to 2. The Pennsylvanians outbatted Virginia and put up a better fielding game, but could not hit just at the right time. Eleven runners were left on the bases when any sort of hit would have won the game.

Both teams scored in the initial inning. Schneider was safe on Blake's fumble, went to second on Conover's neat hit, to third on a wild throw and counted on a fielder's choice. For Virginia, Dabney lined out a triple and tallied on Captain Hoff's timely single to right field.

Winning Run in Fifth.

In the fourth, Canabiss went all the way to third, when Swank overthrew first base and registered on a fielder's choice. Pickford scored the winning run in the fifth.

Virginia gave Lafayette a score in the ninth. After Schneider had scored on Kelley's liner to centre, there were two runners on the bags with only one down. Hoff made a difficult catch of Little's pop foul and Swank smashed all hopes by fanning.

Stratton Pitches Good Game.

Stratton pitched a highly creditable game considering the miserable support he received. He did not issue a pass and he held his best when the bases were occupied. Schneider was a puzzle to the Virginia batsmen, fanning nine.

The features of the contest were Fitchett's magnificent throw from deep center, catching Schneider at the "one plate, and Stanton's difficult catch of Williams's foul fly in the second.

Conover at batpost, and Long at second, did the best work for Lafayette. Virginia plays Holy Cross to-morrow.
